## MESSAGE FROM THE PRESIDENT

The other day with the temperatures around the 30's on my way home I saw 2 C7's out, they had to been from the south, no one here would have theirs out in temperatures like that. I did stop the other day and start mine up, she asked me where have you been, too cold my dear.

We did acquire the same pavilion as last year for our annual club picnic. It will be on July 31st this year, I know it's a way off yet but we will be there with good friends and great food.

This winter has taken its toll already and we still have 70 days to go to Spring, let's think, No More Snow. I came down with a case of phenomenon, which is just about gone, Kris was in the hospital with the virus, also doing better.

GARY and Trisch left for Florida just before Christmas and returned back into the cold weather after the New Year. They must have been on a second honeymoon, just the two them, oh they did have their horse along. They spent their time at several horse events

For those that might not have heard, Tom Henry sold his dealership, Gary and I are planning to meet with the new owners, hopefully they will continue to sponsor our club.

We will not be having a monthly meeting this month. Hope to have a meeting in February.

Paul
