**Newsletter Editor Message.** Good evening fellow Corvette enthusiasts my name is Stephen Taylor and I will be your new Newsletter editor. Before I introduce myself formerly, I would first like to thank Ms. Paula Lewis, my predecessor, for putting out a great newsletter.

So now to introduce myself properly, as a Corvette lover for most of my life and finally a recent Corvette owner of a 2015 red Stingray I wanted to get involved in the Corvette scene and was lucky to meet Joe at the car cruise at Tom Henry Chevrolet back in July. He soon introduced me to quite a few of the NP-CC members and I spent a nice afternoon chatting with everyone.

I was originally born in England but at the age of 15 I moved to America along with my parents and sister. Spending all my life in and around Pittsburgh since 1978 I have lived in Ross Township, Oakland, Greentree, Penn Hills and finally in Glenshaw. I am married to my wonderful wife Mary (yes wonderful, hey she let me buy a corvette didn't she) and we have two sons Stephen Jr. and Nick, we also have two black labs T-Bone and Midnight. For the past 38 years I have worked for the same company Atlantic Engineering Services as their Network Administrator and computer aided designer.

Outside of work I am the Scoutmaster for Troop 560 at St Bonaventure church on Mt Royal and have been involved with the scouting program for the past 13 years. I'm also on the property committee at my church Berkeley Hills Lutheran Church (Ok I cut the grass, but it sounds good), and now I'm your new newsletter editor.

Hopefully in the upcoming months I will get to meet everyone at some of the events. Thank you and see you soon.

Steve Taylor
